Sir:

Enclosed herewith is a Supplemental Declaration (photocopy) that should be made part of the record of the present application.

Applicants have filed a Certified Copy of the priority application CN 01118098.6 concurrently with this Letter and Supplemental Declaration. In the process of preparing this filing, it came to the attention of Applicants' Representative that the serial number of the priority document indicated on the Declaration filed March 19, 2002 inadvertantly recited the serial number incorrectly as 01118089.6. This error was also present in the priority claim made upon filing of the original application papers.

The present Supplemental Declaration is filed to address this error. A corrected claim to priority is also being filed together with the Certified Copy of the priority application.

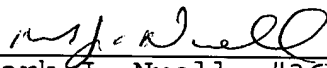

The USPTO is requested to change the record accordingly to reflect the correct priority application number 01118098.6.

Applicants' Representative has also received a Notice of Allowability mailed March 24, 2004. In that Notice, the Examiner indicates that all certified copies of the priority documents have been received. Such was not the case, as the Certified Copy of the priority document is being filed on even date herewith. The Examiner is respectfully requested to issue a corrected Notice of Allowability.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fee required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension of time fees.

Respectfully submitted,
